What is the most important thing you have learned from this experience?

Describe how this activity contributed to the development of your knowledge, skills or professional behaviours

You may wish to link this learning to one or more of the GMC Good Medical Practice domains to demonstrate compliance with their principles and values, i.e.:

- Knowledge, skills and performance
- Safety and quality
- Communication, partnership and teamwork
- Maintaining trust.

How has this influenced your practice?

How have your knowledge, skills and professional behaviours changed?

Have you identified any skills and knowledge gaps relating to your professional practice?

What changes to your professional behaviour were identified as desirable?

How will this activity or event lead to improvements in patient care or safety?

How will your current practice change as a result?

What aspects of your current practice were reinforced?

What changes in your team/department/organisation's working were identified as necessary?

Looking forward, what are your next steps?

Outline any further learning or development needs identified (individual and team/organisation as needed)

If further learning and development needs have been identified how do you intend to address these? Set SMART objectives for these (i.e. Specific, Measurable, Achievable, Relevant and Time-bound)

If changes in professional practice (individual or team/department) have been identified as necessary how do you intend to address these?

Summary of discussion with Educational Supervisor or Appraiser.
