

## REVIEWS

### *Functions Available*

- Create and Amend Review Date
- Curriculum Coverage
- Skills Log
- Trainee Self Rating
- Professional Competences

This section is an information source for your curriculum documents and competence areas outlined for the workplace-based assessments.

### Review

The review process has three main sections

- Curriculum coverage
- Review of skills log
- Assessment against the professional competence areas

Before embarking on a review please first check for any shared entries that your trainee has requested that you validate and discuss any outstanding feedback reports from multi-source feedback or patient satisfaction questionnaires.
