

Good clinical care form

Please complete this form and add it to your **Appraisal and Revalidation portfolio**.

Use this form to describe the quality of your clinical care and how it has improved.

What do you think are the main strengths and weaknesses of your clinical practice?

Examples of documentation you might refer to and supply (see forms in this Guide): up-to-date audit data (as appropriate); prescribing analyses (if applicable); PCT clinical governance reviews (as appropriate); relevant clinical guidelines you use; records of any significant event audits or critical incident reports; any complaints and records of their investigation; any reflective diary you keep about these events; any plaudits you have received; any 'in-house' or personal monitoring materials you use; references or feedback from colleagues.

Strengths:

Easy access to Dr. of choice.

Unhurried appointments.

Knowledge that recent audits favourable.

Pro-active review/medication management clinics.

How has the clinical care you provide improved since your last appraisal (or in the last year if this is your first appraisal)?

Refer as appropriate to your last appraisal and Personal Development Plan.

More audit means more attention to detail.

Practice now offers 'review clinics'.

What do you think are your clinical care development needs for the future?

This is in preparation for agreeing an updated PDP.

Making the audit needs fit with clinical care.

What factors in your workplace(s), or more widely, constrain you significantly in achieving what you aim for in your clinical work?

It may be constructive to focus on issues that can be addressed locally, or ways wider issues could be addressed locally.

Lack of consulting room space.
